

SMART Board™ 800 series interactive whiteboard system

SMART
Inspired Collaboration™

Transform team collaboration with an interactive whiteboard system that makes it easy for people to work together, and interact with files and applications. The 800 series offers a natural touch and writing experience, making it a great choice for every collaboration environment.

Bright ultra-short throw projector

The SMART UX80 projector is high-definition and virtually eliminates distracting shadows and glare. It also offers 720p resolution and 3,300 lumens, ensuring images are crisp and bright.

Touch gestures

Zoom, flick and rotate objects easily – the 800 series supports gestures like those used in the Microsoft Windows 7 operating system.

SMART Ink™ 1.5

SMART Ink automatically enables you to write in any application window.

Multi-tool, multi-touch

Two people can interact with content simultaneously, using touch gestures to write and manipulate content, or simply picking up a pen or eraser.

SMART Meeting Pro™ 4.0 software (included)

This productivity and collaboration software enables you to collaborate in the 4th dimension by working in the Unbound Workspace to create, share and interact with content. The unlimited collaboration space makes it easy to work with large amounts of visual data without getting lost.

GoWire™ auto-launch cable accessory (included)

GoWire allows any computer to quickly connect to the display and access SMART Meeting Pro PE (Personal Edition) software.

Key Features

Touch gestures

Zoom, flick and rotate objects easily – the 800 series supports gestures like those used in the Microsoft Windows 7 operating system.

Multi-tool, multi-touch

Work naturally by using touch gestures to write and manipulate content or simply pick up a pen or eraser. Two people can interact with content simultaneously.

Object awareness

Functionality automatically adjusts depending on the tool or object being used, whether it's a pen, finger, eraser or fist.

SMART Meeting Pro™ 4.0 software (included)

This productivity and collaboration software enables you to collaborate in the 4th dimension by working in the Unbound Workspace to create, share and interact with content. The unlimited collaboration space makes it easy to work with large amounts of visual data without getting lost.

GoWire™ auto-launch cable accessory (included)

GoWire allows any computer to quickly connect to the display and access SMART Meeting Pro PE (Personal Edition) software.

Support for multiple displays

Users can simultaneously write, as well as share content and applications on up to 16 connected displays.

Durable surface

The hard-coated, low-gloss steel surface is optimized for projection and is easy to clean.

Bright ultra-short throw projector

The SMART UX80 projector is HD-ready and displays crisp, bright content. It offers 720p resolution and 3,300 lumens, and virtually eliminates distracting shadows and glare.

Network enabled projector

Asset management features enable you to control and manage the projector remotely.
